WANT TO PUT IT TOGETHER YOURSELF?

These are the things we offer. We've itemized them all so you can put together just the right items for you. Custom packages are our favorite! We really want to sit down with you and talk about what you want. Let us help you find great ways to fit your budget when you share your plans.

STAGE 1 4500

We don't mean to presume, but this is usually the main room, the base for all the rest. [10,000 sf]

STAGE 3 1200

The smaller studio. Often used for cocktail hour but also a great get-ready space. [1500 sf]

STAGE 4 1700

The medium studio. More private and most renovated of all our spaces with newest floors and unique wall treatments. [2800 sf]

CLEANING + DAMAGE DEPOSIT 600

Can be wholly or partially refunded, depending on the condition of the studio when you're done. This one is special because it's required but you can get it back. **This does get added to every booking.**

BASIC STORAGE 300

Store your stuff the day before until the business day after. This means Friday-Monday for a Saturday wedding. This is actually kind of huge. This means you can store decorations, alcohol, food, etc. You can send your vendors to drop-off early too.

WHOLE DAY BEFORE TOO 1985

Imagine getting to set up the whole day before. This is up to 12 hours of access to the space for planning, setting up, creating your vision.

SIMPLE WHITE CURTAIN 430

Divide the studio, 60 ft long - floor to ceiling. Did we mention simple?

CAFE LIGHTS 325

200 ft of string lights with neat retro bulbs. They can be hung and swagged anywhere in the rafters.

STARRY NIGHT 325

(Nope, not the painting) You won't find impressionist works at Ambient. But you will find hundreds, even thousands, of tiny lights on the ceiling.

SOUND SYSTEM 150

Basic house audio. Comes with one wireless microphone.

PING-PONG 50

This table is really fun, especially for the bridal party during get-ready.

PROJECTOR 100

Preset to aim at the cyc wall. It's your turn to make a cheesy slideshow.

QUONSET 750

Indoor/Outdoor warehouse space. Use as a parking lot for 40 cars.

TROLLEY PARKING LOT 600

South, across on Wells on the corner of Northside/Metropolitan. Fenced and gated with room for 50 cars.

STREET PARKING FREE

We can't reserve this, just need to mention it. 40 cars fit on our block.

SECURITY GUARD 40/HR

Very friendly but kind of intimidating. Uniformed and armed. We often estimate 7 hours or \$280

CUTE PARKING ATTENDANT 40/HR

Will babysit the cars. This is actually another guard. Who may also be cute. Hence the similarity in price.

LIMO SHUTTLE SERVICE ~1000

Have your guests picked up from their hotels and dropped off at our front door. There are some details that need to be discussed so consider this an estimate.

FARM TABLE 60

Our tables look like no others. Probably because we made them. We're happy to send pics or show them when you come for a tour. Keep in mind they require a lot of setup time and strength. Which we do. As long as you're nice.

FARM HIGHBOY TABLE 20

Solid wood tall tables for cocktails or other standing-up activities. Except archery. Please don't shoot arrows at our tables.

VINTAGE BAR KIT 120

Can be moved. They come with two types of coolers, drip mats, and bar-back tables.

ROUND TABLE 48" or 4' 13

ROUND TABLE 60" or 5' 13

LONG TABLE 72" or 6' 13

LONG TABLE 96" or 8' 13

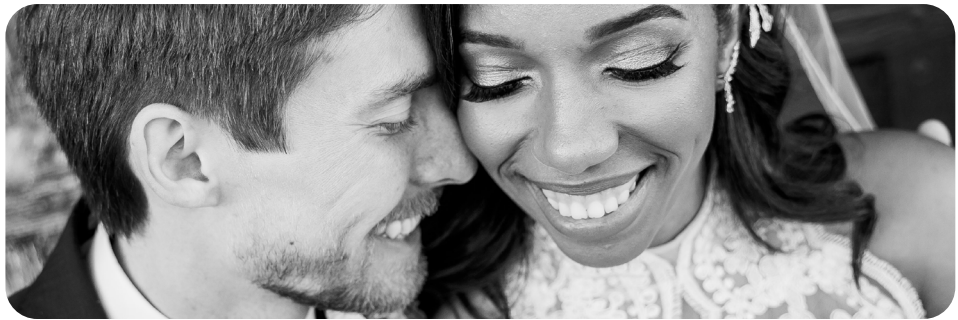

COCKTAIL TABLE 36" or 3' 13

CHAIR/SPECIALTY CHAIR Almost any style 5/10

NIFTY AMBIENT FURNITURE CREW 500

We'll set up your furniture, move it around after the ceremony, tear it down, tell it "good job", and store it.

We really hope you take away one message in all of this - **Ambient is really easy to work with.**
We try to make everything flexible and customizable.

BRING YOUR OWN CATERER

You don't have to pick one from our list. But our list is where we recommend some really great ones.

BRING YOUR OWN BUBBLY

This is a huge savings when you bring the alcohol. **Average savings is about \$2500.** Serve it, just don't sell it. That's mean.

DEPOSIT is 50% to lock YOUR DATE

The balance is due 5 days before your event/wedding. Your deposit, minus \$250, is refundable up to a certain advanced date.

299 CAPACITY

That's a lot of bodies. Keep in mind this includes caterers, staff, and up to five Ambient staff. We suggest **275 guests**, it's a nice round number. And, this is for Stage 1 or Stage 1+3... which will make a lot more sense when you come for a tour.

MULTIPLE VISITS

We expect several visits to the studio as you are considering and planning. We can be available odd hours and days too.

TOURS

Just like above, we can be available odd hours and are happy to show you through and discuss your event. We kinda look forward to it. The more you share the more we can customize to make it happen. If you're out of town, we can do a FaceTime tour.

PARKING

It's really kind of hard to convey the flow of traffic and people at Ambient on an event day. Please come for a tour. We have multiple parking lots of various sizes and uses. It's reasonable to estimate that you will get cars equal to HALF the number of RSVPs. So if you expect 150 guests, plan for 75 cars. And that's still high. With Uber and Lyft, that number gets even lower.

DAMAGE AND CLEANING

We want everyone to be able to have their event at Ambient. Normally, we would just count cleaning and wear-n-tear as a part of the process and totally "our problem." But we've had a few budget conscious folks ask for a discount if they do the cleaning. To accommodate that request, we made the cleaning and damage fee a "deposit" that we will refund at the end of the night if you handle it. Hopefully, this lowers the base cost and makes it more possible for folks to use Ambient as their canvas. Let's be honest though, who wants to clean after a few hours of fun and festivities?

We do.

But your crazy Aunt Sally and third-cousin Ned won't. Planning on **not** getting this back is highly recommended. Your decision, we are just suggesting.

So to summarize, you could get a refund of your cleaning and damage deposit if your guests or vendors didn't break anything and you had a helpful team take care of all the cleaning.

NIFTY AMBIENT FACILITY CREW

It's easy to overlook this. Ambient is going to keep 2-4 team members here the whole time. These folks are running around replenishing paper products and soap, mopping up spills, and pointing out the restrooms. Minor tasks, easily overlooked, really noticed if they are NOT done.

STRESS STRESS STRESS

We really strive to remove all stress. Not possible, we know. But we have lots and lots of tricks to reduce it. The two biggest things are our 16 HOUR booking and free STORAGE. Think about it. How hard is it to set up an entire room, marry and party, then clean all of it up in just 6 or 8 hours? And how much time is spent running around getting last minute items? If you dropped it off yesterday, you only have to remember which box it's in.

EXAMPLE PACKAGE - THE RUBBER DUCKY

When you come for a tour and see how all our options and spaces fit together we know you'll start to understand how things work. To help, we created this example of what it would look like to have 200 people at Ambient.

If you do the math yourself, it adds up to 11,057 on the a la carte page. But because we bundle things to make it all confusing and complicated its actually only \$8826 if you combine these items below. Of course, you have to walk in and say "Gimme a rubber ducky" with a straight face.

And if you promise to be nice to ducks you get a free rubber ducky.

\$1,000,000 just kidding, its actually \$8826

We have a little conundrum. We want to handle everything for you, make things as easy as possible AND we want you to be able to choose each and every thing you want. What that looks like is either a whole bunch of questions coming at you or a one-size-fits-all solution. Well, we know one size will not fit everyone - sometimes it doesn't fit ANYONE - so brace yourself for a whole bunch of questions.

Linens can be a very simple question and a simple answer. How many white linens would you like? Simple. But there are a myriad of colors and textures you might prefer. Like furniture, we want to get you just what you want. So we will handle your linen rentals for you. But because there is so much variety and price we did not build it into a package already. A very good rule of thumb is \$17 per table linen. A few might be less, a lot of them are more. We can build them into your contract with us or leave them off and let you handle them.

Catering is always a big topic. We promise not to try to cook. But we do partner with several really great local caterers and will be happy to shepherd you through the process of selecting one and the choices you will face there. We often include a very rough cost for catering in our estimate to you in hopes of making your journey easier and to eliminate a surprise later. You do not have to use one of our recommended caterers and we welcome new people and new companies.

It is common for a caterer to include linens as a part of what they will do for you. We would love to help, but it makes a lot of sense for them to cover this aspect and we are happy to have them take care of it.
